

OUR PIZZA

Our dough is freshly prepared every morning according to our own traditional recipe, requiring a rising time of at least 24 hours.

Once fully risen, the dough is hand stretched, topped with fresh ingredients and cooked in our wood-fired oven, at a temperature of over 400°C.

The finished pizza should be light and easy to digest, as well as being crispy, showing slight charring and blistering of the crust.

We hope you enjoy our authentic wood-fired pizza!
